WORK EXPERIENCE

Restaurant General Manager Pacific Catch

02/2019 - Present

San Francisco, CA

100% sustainably sourced seafood bar and grill

Achievements/Tasks

- Achieved lowest cost of goods, lowest turn-over, top EBIDTA in the company
- Successfully managed a \$6 million annual revenue restaurant, ensuring financial stability and growth
- Implemented sustainable practices, sourcing 100% sustainable seafood and packaging materials, reducing waste and improving the restaurant's eco-friendly footprint
- Managed a team of 40+ staff, including hiring, training, and performance evaluations
- Conducted regular financial analysis to optimize costs and increase profitability
- Ensured compliance with health and safety regulations, leading to consistent top health inspection scores

PROJECTS

Cocktail Collective (06/2024 - Present)

- Explore a vast collection of cocktail recipes, search by name or ingredients, and share unique creations with the community
- Create a profile to create cocktail recipes, 'favorite' others' cocktails, and track and edit created recipes
- Features for commenting on recipes, discovering the most commented cocktails, and viewing recently added recipes, fostering an interactive and engaging community experience.
- <https://cocktailssearch.onrender.com>

BeatRate (05/2024 - Present)

- Collaborated with a developer trio to create a comprehensive platform for music enthusiasts to rate, review, and discover music.
- Provide features for users to create accounts, rate and review albums, follow other users and manage their profiles, reviews,
- <https://beatrate.onrender.com/>

EraBnb (04/2024 - Present)

- Develop a user-friendly platform for booking short-term accommodations, similar to Airbnb
- Provide tools for property owners to manage listings and bookings, users to manage profile and property reviews
- <https://api-project-h2wd.onrender.com/>

Jokestagram (03/2024 - Present)

- Collaborated with another developer to create a simplistic joke website with fun user interactivity
- Generates random jokes and punchlines with the press of a button
- <https://bobmarconi22.github.io/Jokestagram/#>
